

OCC e-Offering through PayPal Giving Fund

The PayPal Giving Fund (PPGF) enables you to make your offerings with a credit card but note the following process you need to follow:

- You must have, or sign up for, a personal PayPal account to make the offering to PPGF for OCC's benefit (Here is the link to create a PayPal account: <https://www.paypal.com/us/webapps/mpp/how-paypal-works/overview>)
- PPGF does not allow you to designate your offering because there is no "memo line" feature, so all PPGF offerings to OCC will default to the General Fund with the following exceptions: (Note we are using the cents amount of your offering to help distinguish which fund to direct your offering)
 - For Building Fund, please use "10" for the cents amount – for example, "\$200.10"
 - For Mission Fund, please use "20" for the cents amount – for example, "\$200.20"
 - For Benevolence Fund (Love Gift), please use "30" for the cents amount – for example, "\$200.30"

If you would like to make an offering donation to OCC's General Fund; Building Fund; Mission Fund; or Benevolence Fund (Love Gift), please go to

<https://www.paypal.com/fundraiser/charity/1841762>

Please leave the Name and Email address box checked so that we can show your offering through PPGF on your Annual OCC Offering Record, which will be emailed to you in January next year.

- **Your receipt for tax deduction purposes will come immediately via email from PPGF, and not from OCC** (FYI, the effective tax date of your offering is when you make the offering to PPGF, even though OCC may not actually receive your offering from PPGF for up to 6 weeks)

Note: The nice thing is that with PPGF there are no fees to either you or to OCC for using a credit card to fund your offering – 100% of your offering will go to OCC.

You can still give with check or cash

You can give by mailing your check to our church address at (please do not mail cash)
